

## Power Solutions

- AC-DC
- DC-DC
- Standard
- Value-Added
- Custom
- UPS Systems

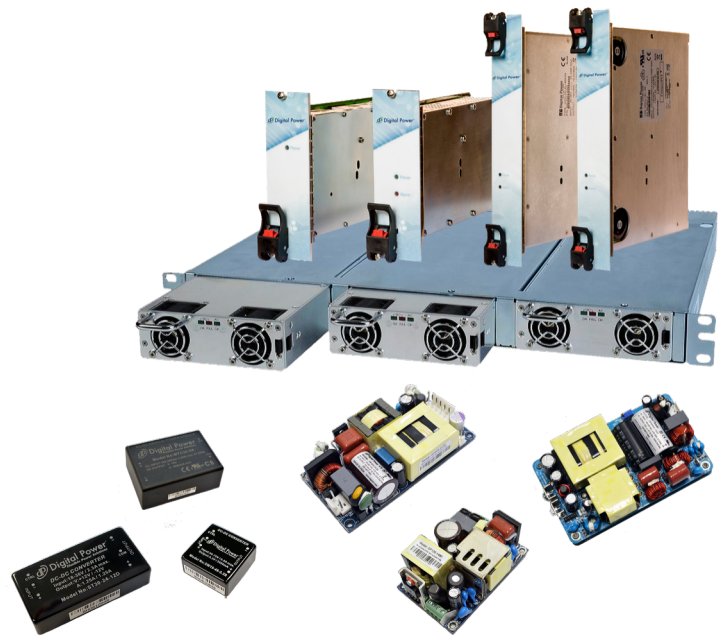

## Custom & Standard AC & DC Power Cords

## AC Receptacles & Line Filters

## Cooling Devices

- Fans
- Blowers
- Heatsinks
- Intelligent Fan Trays

## Custom & High Volume Transformers/Inductors/ Magnetics

## Consulting Services

- Compliance
- Quality
- Manufacturing
- Logistics
- Warehousing

## Custom Cable Assemblies

- Input/Output
- Military Applications
- Telecom Applications
- Industrial Applications

## Engineering Services

- Value-Added Design:  
Electrical/Mechanical
- Testing
- Full Custom Design
- Built to Print Consulting
- Product "Ruggedization" for Harsh Environment/Military Applications

## Approved Facilities

- ISO 9001:2015
- ISO 13485 for Medical
- AS9100/AS9100 D for Defense and Aerospace
- Safety Agency Compliant

## Design Services

- PCB Layout
- Testing
- Hardware Sheet Metal Enclosures
- Intelligent Fan Tray Design
- Test Platforms
- Custom Configuration
- Complete Custom Design
